Orange and Purple classes had a wonderful time with their Willoughby buddies at Wizzy world. They did lots of climbing and sliding and wizzing around! The Willoughby buddies were delighted to spend time with them at such a fun play centre. All of the students sat down together to have lunch around a large table in a ‘Castle’. The table even had a throne at the end of it. The Willoughby buddies have really got to know their Cromehurst buddies well over the semester and are enjoying seeing them every week.
It is our third week here at Ronald Street and little by little we are finalising routines that work best in our new environment. The students continue to engage well in all activities and appear to have adjusted well to what has been a huge change for them. Once again I would like to thank my staff and all our families for preparing our students so well which has definitely contributed to such a smooth transition. The waterproof cover for the deck should be installed by next term and after the downpour we had last week it will be a very welcome addition. The next meeting with the builders is Tuesday, June 25 which is the last week of this term. Any updates or issues arising from this meeting will be reported in the first newsletter of term 3.

This week we have four year 10 students from Riverview completing work experience in our school. This program has run with Riverview for many years and has proven to be very successful. We welcome the students Alexander, Benjamin, Thomas and William to our school and hope they enjoy their visit as much as the students and staff will enjoy having them.

Last week Orange and Purple class had a fantastic excursion to “Wizzy World” with their Willoughby buddies. This is an annual event which we are pleased could continue along with our valued integration program with Willoughby Public School. Our other successful integration program with Killara Public school is also continuing whilst we are at Ronald Street and we are very grateful for the flexibility of both schools in regard to time schedules which has enabled these programs to continue. This week both the Wizzy World excursion and Killara integration program are featured in our newsletter with some great photos to illustrate how much our students enjoy their time with their buddies from these schools.

As we approach the end of the term and the beginning of the holidays we are mindful that some of our students find the break in school routine difficult. If you are aware of any plans or events for your children these holidays please let your child’s teacher know so we can assist if possible in preparing them through social stories or visual schedules.

Finally, I am happy to report that Kylie Wilson our Assistant Principal and her husband Chris welcomed their son Louis Christopher who arrived on Monday, June 10. We wish her and her new family all the best and eagerly await photos of their new arrival.

Countdown update (if the schedule remains unchanged)-167 school days

Christine
Integration to Killara Public School

Kai, Jack, Ashlee, James, Lex and Gelo are still visiting Miss Rampton and their friends in KR class on Wednesdays. It is always pleasing to see the interaction between the students and the comfortable sharing of activities. Kai, Lex, and Gelo happily join their friends at copying the teacher’s claps at the end of each rotation and know they need to move to a new activity. Jack and Ashlee are far more attentive with friends and Jack usually chatters when we arrive to the delight of the students in KR. Ashlee has just joined us again on our visits and is happy to be with the group.

Thank you to Killara School and KR class as Rainbow integration remains a very successful program.
SCHOOL CANTEEN

There will be **NO** canteen on Wednesday due to the Interschool Athletics Carnival

Wednesday 19th June
