Hi everyone,

Blue class has been very busy over the past few weeks at Ronald Street. This year Kalim and Tom have participated in some exciting experiences. The class has an extremely full timetable during the day. In the morning we complete our daily greetings and work routines. The class is also involved in an exercise program during the middle session using the bikes and scooters. In the afternoon the class usually assists in packing up the equipment in the gumtree area of the school and then puts away the trikes in the shed. It has been wonderful to have Mike our Art and Music teacher come in to assist the class every Monday and Thursday.
Welcome to week 9 (13 school days until we load the moving trucks)

Last week several of our senior students participated in the inter school swimming carnival at Cabarita Pool representing our school in a range of events. As usual a great time was had by all students, staff, parents and volunteers from all the participating schools. The purpose of these events is for our students to participate and compete in a friendly manner. Well done to all our students. Thank you to our parent volunteers and to Marion Dreyer who had a temporary leave from her retirement to assist.

All systems are GO for our return to Lindfield on April 10. We are very grateful to the builders, Richard Crookes Construction for the speedy, efficient way they built our school and the manner in which they accommodated us in every additional request we made. Last week the PBEL team completed the social stories and countdown calendar for our students to prepare them for the change ahead. We will be placing these on our website and on to our iPads. The internal handover is occurring today, March 24 and all staff are very excited. We are planning transition visits for the students and a permission note has been sent home today in regard to this. We have commenced devising information books for drivers and parents for the Lindfield site and hope to have these completed shortly once the external handover occurs on April 1. Once we return and additional students are placed it may be necessary to rearrange some of our classes. If this is the case and your child is affected you will be contacted by the school, please be assured that decisions will be made in the best interest of your child and that all our classes provide quality individual programs.

There are now only ten days to go before our famous Annual Golf Day and Dinner at Roseville Golf Club on 2nd April. It is always a successful event and this year the dinner is SOLD OUT this event raises much appreciated funds for our school and the Cromehurst Foundation. We are hoping to have some photos of the new site to show on the evening. The last planning meeting of the Golf Day committee is Tuesday 25 March, 7:00-8:00pm pm at Roseville Golf Club. All are welcome to attend.

The countdown is almost at an end and the finish line is within view. I know all our families are as excited as we are at the prospect of returning to Lindfield and I would like to thank everyone for their understanding, patience and support over the last nine months.

Regards

Christine
