White class are exploring the topic of “Summer Time Fun” this term. We have been charting the weather and seeing the changes from day to day. We have also been learning about the need to be Sun Safe and using the Slip Slop Slap Seek and Slide message by the Cancer Council. The photographs show White class being Sun safe wearing protective clothing and putting on Sunscreen. We look very cool with our glasses and caps!

This term our Willoughby buddies have been coming to Cromehurst on Thursdays. We all really enjoy our Count to 100 song with Jack Hartmann. Everyone has learnt all the actions and we enjoy being active together. We have also been participating in Special Olympics, Zumba and swimming every week. These activities help us learn about moving our bodies.

We have also been exploring shapes this term and are getting really good at naming and matching all the 2D shapes. The children all really enjoy the interactive games that make funny noises when you find the correct shape. We have also been going “shopping” to Orange class and buying our fruit for Crunch and Sip, going on walks around the block and of course doing lots of art projects.

It has been a busy term and with practice underway for the Christmas Concert and with Christmas craft projects our term will only get busier but as always we will be having fun.

Welcome to week 6

Welcome back to Christine who hopefully has had a wonderful relaxing three week break and is ready to start back into the intensity of the last term of the year. I was happy to look after the school during this time but I am also happy to hand the reins over to her. I thank all of our wonderful staff for the support you gave me in order to keep the school running as smoothly as possible during Christine’s absence.

The Christmas concert practices are continuing under the direction of Mike Bancks and the class teachers and SLSO’s. The theme of “Summertime Fun” will be represented by some colourful class productions and I am sure lots of fun. I hope all parents and families can join us for the day on the 10th of December.

Last week the senior class students all went on an excursion to the waste management plant at Eastern Creek. I am told it was highly successful with all students able to participate and continue to learn about the importance of recycling and looking after our planet.

We have had some transition visits by some of our incoming students and are looking forward to welcoming in some further students and setting up our tenth class. All students are continuing to achieve their outcomes and this will be reflected in the reports which will be sent home at the end of the term.

Last weekend there were two events conducted raising money for our school. Thankyou to the Roseville Golf Club for including Cromehurst in their fundraising and to the staff and P&C President who attended. Thank you also to Jeremey Norton who organised a charity bike ride which will also benefit our students. Further information regarding these events will be in next week’s newsletter.

Regards
Janice
