Green Class

Green class has been getting to know each other and our fellow middle school class, Yellow class. We have a new schoolmate, Zac, who is settling into Cromehurst well – **welcome Zac**. Bennie and Hamish have transitioned well to 'high school', showing great independence and responsibility. Sam and Guy have been setting an excellent example for them and are continuing to work hard in high school. Well done all members of Green class.

We are focussing on our PBEL expectations this term. We have been *learning together* – cooking mini pizzas and making sandwiches in the kitchen. We have been *being safe*, staying with the group and stopping and looking both ways before crossing roads while walking in our local community. We have been *being friendly*, taking turns during structured game sessions with Yellow class.

Green class have also been working hard walking around the school and collecting assembly awards and working independently at our desks during desk work sessions. All members of Green class have been trying their best over the first few weeks of the term and we are looking forward to the rest of the term. Here are some photos of Green class students following a visual procedure to make mini pizzas in our Cooking session.
Welcome to week 7 and welcome back to Christine today. We did our best to keep the school running smoothly during the time she was away but there is plenty of Principal work that she will be catching up on.

Last week was busy again with the school Captains’ Assembly on Wednesday in which we inducted the new school leaders; Nancy W and Oliver F as the School Captains and Luke Si as the Vice Captain. Their parents were very proud of this achievement and came to the assembly followed by a special morning tea. I am sure they will all do a wonderful job. I was very proud to stand in for Christine at this event.

Last week also saw some more developments in the Sensory Garden with Carolyn and Nick Dwyer, Millie’s grandparents, donating plants and coming in on Thursday to help students plant them. We appreciate this extra help from our school community including the volunteers who have been helping with various programs during the week.

The Golf Day is almost here and the flowers made by the students are growing and should look lovely on the tables at the dinner. I understand raffle tickets will be sent out to families this week for a chance to win one of the great prizes at the dinner. See attachments to this newsletter concerning the Golf Day.

Parents may also be interested in a flyer concerning relationships and disabilities. At least one of our staff members is hoping to attend. This is a topic that becomes very important as students mature.

Regards,
Janice
Sensory Garden

Our garden has grown!

On Thursday the 3rd of March, members of Millie’s family, Carolyn and Nick Dwyer, generously donated their time and expertise, as well as several plants, to our kitchen/sensory garden. We would like to say a big thank you to them for spending time with our students, helping them to dig, plant and water our brand new exciting additions to the garden.

Live Life Well Team
School Leaders 2016

Congratulations to our newly elected school captains and vice captain. They are Oliver F and Nancy W (captains) and Luke Si (vice captain).

Our new school leaders were inducted into their new roles at last week’s assembly.

Well done!

The Cromehurst Foundation

This is a registered charity providing essential facilities, resources and programs for children and adults with an intellectual disability, including those with high support needs who attend or have previously attended Cromehurst Special School. One of the essential facilities is an independent living skills program conducted in The Cottage. There is no government funding for past and present students of Cromehurst Special School who live in The Cottage during the week and learn many of the skills essential for daily living, such as cooking, cleaning and shopping as a complement to their school programs. The Foundation keeps The Cottage running as well as supporting Cromehurst Special School.
ABOUT CROMEHURST AND HOW YOUR SPONSORSHIP WILL HELP

Cromehurst Special School supports students with moderate and severe intellectual and physical disabilities. Our principle aim at Cromehurst is to develop student independence through the delivery of the K-12 curriculum, enabling students to be valued members of their community.
